

“SOPHISTICATED SOUNDS”

On-Line Planning Features:

- **Most Requested Songs enhanced and expanded to offer more suggestions.**
 - **The Top 200 Most Requested Songs list has been enhanced and expanded to offer even more suggestions just for you. There are now separate lists for Top 200, Top 1960’s, Top 1970’s, Top 1980’s, Top 1990’s, Top 2000’s, Bride & Groom 1st Dance, Bride and Father Dance, Groom and Mother Dance, Bridal Party Dance, Bouquet Toss, Garter Toss, and Cake Cutting. This will provide you more ideas and choices than the typical run-of-the-mill Top 200 party Songs. All of the lists, like the original Top 200, are dynamically compiled in real time based on thousands of actual client requests made through the DJ Intelligence system over the past 12 months, providing accurate and true-to-life results.**
 - **You can also listen to any song in the data base!**
 - **New built-in profanity content filter available on music search tools.**
- **Guest Request Tool**
 - **You can choose to have your Bridal Party, Family or Friends help build your play list. You can choose to limit the number of songs each person submits. You can also have each person view only the songs they submitted or all the songs everyone has submitted.**
- **Mobile Music Search from your cell phone or PDA**
 - **A miniature version of our Music Search tool is now available for your cell phone, PDA or other wireless device. You or your guests can look up songs to request anytime. Just go to www.sophisticatedsounds.djintelligence.com/search/pda**
- **Display song lyrics on the Music Search, Music Database, and Guest Request Tools.**
- **Event Timeline Tool for Wedding, Anniversary, Corporate, Mitzvah, Party, or School Dance**
