Rick -

Dan and I can't begin to thank you enough for the excellent job you did at our wedding on July 4, 1998. Your equipment and your professionalism are unbelievable. We have our videos back from the wedding and one would never know it was in our backyard under a tent. Your lighting makes everything look like we are in a club! We will and have recommended your services. What a superb job!! - Thanks again.

Pete and I would like to thank you for the excellent job you did at our wedding. Everyone we talked to raved about the music. We would, also, like to thank you for bailing us out when our original DJ backed out at the last minute. Thanks again for everything and we wish you success in your business.

Rick,

How could we have done it without you!
The Ceremony was just perfect. We had
some guests that watched from the balcony
who said they heard everything.

Once we moved inside to kick it up a
notch, you sure knew how to keep the party
rolling.

We truly do appreciate all your hard work
and extra effort you put in to making
our special day just wonderful! Thank you.
